

September 21 – 24, 2010

Messe Basel
Basel / Switzerland

Scientific Program

(as of August 27, 2010)

For further details and the most recent additions, please visit the online scientific program on the congress website www.miptec.com

September 21 – 24, 2010

Messe Basel
Basel / Switzerland

Scientific Program

Monday, September 20, 2010

Eukaryotic Protein Expression (User group meeting)

08:00 - 18:15

Chairpersons: S. Schmidt (Barcelona, ES); F. Wurm (Lausanne, CH)

September 21 – 24, 2010

Messe Basel
Basel / Switzerland

The Leading European Event for Drug Discovery

Scientific Program

Tuesday, September 21, 2010

BioValley Life Sciences Week – BV-FMI Science Day

08:30 - 18:00

High Content Screening (User group meeting)

08:45 - 12:30

Informatics (User group meeting)

08:45 - 12:45

Chairpersons: N. Graber (Basel, CH); D. Riedel (Reinach, CH)

GPCR / Ion Channels I (User group meeting)

09:00 - 12:45

Opening Conference / Keynote Lecture I

13:00 - 13:45

Lunch

13:45 - 14:30

GPCR / Ion Channels II (User group meeting)

14:00 - 15:30

Drug Discovery Technologies I: High Content Screening (Part I)

14:30 - 16:00

Chairpersons: D. Gabriel (Basel, CH); R. Schnitzer (Vienna, AT)

Structural and Computational Drug Discovery I: Structural Chemical Biology (Part I)

14:30 - 16:00

Chairpersons: A. Hillisch (Wuppertal, DE); M. Sundström (Copenhagen, DK)

September 21 – 24, 2010

Messe Basel
Basel / Switzerland

The Leading European Event for Drug Discovery

Scientific Program

Tuesday, September 21, 2010

Translational Science I: Imaging

14:30 - 16:00

Chairpersons: P. McLean (Lausanne, CH); P. Berndt (Basel, CH); S. Alesci (Philadelphia, US)

GPCR / Ion Channels III (User group meeting)

16:00 - 17:30

Drug Discovery Technologies I: High Content Screening (Part II)

16:30 - 18:00

Chairpersons: D. Gabriel (Basel, CH); R. Schnitzer (Vienna, AT)

Structural and Computational Drug Discovery I: Structural Chemical Biology (Part II)

16:30 - 18:00

Chairpersons: A. Hillisch (Wuppertal, DE); M. Sundström (Copenhagen, DK)

Translational Science II

16:30 - 18:00

Chairpersons: P. McLean (Lausanne, CH); P. Berndt (Basel, CH); S. Alesci (Philadelphia, US)

September 21 – 24, 2010

Messe Basel
Basel / Switzerland

The Leading European Event for Drug Discovery

Scientific Program

Wednesday, September 22, 2010

DiscoverRx (User group meeting)

08:00 - 12:00

Biopharmaceuticals I

08:30 - 10:00

Chairpersons: S. Ewert (Basel, CH); F. Fan (Madison, US); S. Turconi (Ghent, BE)

Target and Tools I: Neglected Diseases (Part I)

08:30 - 10:00

Chairpersons: D. Besson (Geneva, CH); M. Entzeroth (Singapore, SG)

Target and Tools II: Epigenetics (Part I)

09:00 - 10:00

Chairpersons: W. Janzen (Chapel Hill, US); Tbc

BioValley Life Sciences Week – Applied Science Day / Strategy Day

09:30 - 18:00

Biopharmaceuticals II

10:30 - 12:00

Chairpersons: S. Ewert (Basel, CH); F. Fan (Madison, US); S. Turconi (Ghent, BE)

Target and Tools I: Neglected Diseases (Part II)

10:30 - 12:00

Chairpersons: D. Besson (Geneva, CH); M. Entzeroth (Singapore, SG)

Target and Tools II: Epigenetics (Part II)

10:30 - 12:00

Chairpersons: W. Janzen (Chapel Hill, US); Tbc

September 21 – 24, 2010

Messe Basel
Basel / Switzerland

The Leading European Event for Drug Discovery

Scientific Program

Wednesday, September 22, 2010

SILA Luncheon

10:30 - 13:30

SiLA Luncheon Link ([click here](#))

Lunch

12:00 - 12:45

Hamamatsu Industry Symposium

12:45 - 13:45

Lonza Industry Symposium

12:45 - 13:45

Cisbio Industry Symposium

12:45 - 13:45

HP Industry Symposium

12:45 - 13:45

Roche Industry Symposium

12:45 - 13:45

Bucher Industry Symposium

12:45 - 13:45

Posters Session I

12:45 - 13:45

Keynote Lecture II

13:50 - 14:30

September 21 – 24, 2010

Messe Basel
Basel / Switzerland

The Leading European Event for Drug Discovery

Scientific Program

Wednesday, September 22, 2010

GE Healthcare Industry Symposium

14:45 - 18:00

Chemical Space I: Maximizing Chemical Values

15:15 - 17:45

*Chairpersons: J. Harris (Cambridge, UK); C. Lipinski (Waterford, US);
N. Winssinger (Strasbourg, FR)*

Drug Delivery & Hit Chemistry

15:15 - 17:45

Chairpersons: V. King (Cambridge, US); J. Mosbacher (Allschwil, CH)

Drug Discovery Technologies II: Lab Automation & Informatics

15:15 - 17:45

Chairpersons: N. Graber (Basel, CH); S. Corazza (Milan, IT)

Swiss Culinary Night

20:00

September 21 – 24, 2010

Messe Basel
Basel / Switzerland

The Leading European Event for Drug Discovery

Scientific Program

Thursday, September 23, 2010

Next Generation Sequencing I (User group meeting)

08:30 - 12:00

Target and Tools III: Protein Protein Interactions (Part I)

08:30 - 10:00

Chairpersons: K. Amrein (Basel, CH); E. Diez (Madrid, ES)

Target and Tools IV: RNAi and microRNAs (Part I)

08:30 - 10:00

Chairpersons: E. Leberer (Frankfurt, DE); H. Grosshans (Basel, CH)

Drug Discovery Technologies III: Academic Screening (Part I)

08:30 - 10:00

Chairpersons: H. Haag (Frankfurt, DE); M. Bickle (Dresden, DE)

Perkin Elmer: cell::explorer and plate::explorer automation (User group meeting)

08:30 - 12:30

BioValley Life Sciences Week – Connect Day

09:15 - 18:00

Target and Tools III: Protein Protein Interactions (Part II)

10:30 - 12:00

Chairpersons: K. Amrein (Basel, CH); E. Diez (Madrid, ES)

Target and Tools IV: RNAi and microRNAs (Part II)

10:30 - 12:00

Chairpersons: E. Leberer (Frankfurt, DE); H. Grosshans (Basel, CH)

September 21 – 24, 2010

Messe Basel
Basel / Switzerland

The Leading European Event for Drug Discovery

Scientific Program

Thursday, September 23, 2010

Drug Discovery Technologies III: Academic Screening (Part II)

10:30 - 12:00

Chairpersons: H. Haag (Frankfurt, DE); M. Bickle (Dresden, DE)

Lunch

12:00 - 12:45

Lonza Industry Symposium

12:45 - 13:45

Bionas Industry Symposium

12:45 - 13:45

Roche Industry Symposium

12:45 - 13:45

Beckman Industry Symposium

12:45 - 13:45

MaxCyte Industry Symposium

12:45 - 13:45

Corning Industry Symposium

12:45 - 13:45

Posters Session II

12:45 - 13:45

Next Generation Sequencing II (User group meeting)

13:00 - 14:00

September 21 – 24, 2010

Messe Basel
Basel / Switzerland

The Leading European Event for Drug Discovery

Scientific Program

Thursday, September 23, 2010

Poster Award Toolpoint

14:00 - 14:15

Keynote Lecture III

14:15 - 15:00

Next Generation Sequencing III (User group meeting)

15:15 - 17:30

Translational Science III

15:30 - 18:00

Chairpersons: P. McLean (Lausanne, CH); P. Berndt (Basel, CH); S. Alesci (Philadelphia, US)

Structural and Computational Drug Discovery II: Structure-based lead selection and optimization

15:30 - 18:00

Chairpersons: A. Hillisch (Wuppertal, DE); M. Sundström (Copenhagen, DK)

Drug Discovery Technologies IV: Future Technologies for the Study of Biological Interactions

15:30 - 18:00

Chairpersons: A. Kolb (Madison, US); G. Dernick (Basel, CH)

Round Table Discussion: "Open Innovation"

15:30 - 18:00

BioValley Life Sciences Week – INSEAD Alumni Event

18:00 - 19:30

September 21 – 24, 2010

Messe Basel
Basel / Switzerland

The Leading European Event for Drug Discovery

Scientific Program

Friday, September 24, 2010

Biopharmaceuticals III

09:15 - 10:45

Chairpersons: S. Ewert (Basel, CH); F. Fan (Madison, US); S. Turconi (Ghent, BE)

Chemical Space II: Protein Protein Interactions

09:15 - 10:45

Chairpersons: J. Harris (Cambridge, UK); C. Lipinski (Waterford, US); N. Winssinger (Strasbourg, FR)

Case Studies

09:15 - 10:45

*Chairpersons: V. King (Cambridge, US); J. Mosbacher (Allschwil, CH);
G. Dernick (Basel, CH); A. Korb (Madison, US)*

ELRIG.de Discussion Round: Label-Free Technologies

09:15 - 12:45

Chairpersons: M. Zerlin (Frankfurt, DE); J. Ottl (Basel, CH); O. Peter (Allschwil, CH)

Biopharmaceuticals IV

11:15 - 12:45

Chairpersons: S. Ewert (Basel, CH); F. Fan (Madison, US); S. Turconi (Ghent, BE)

Chemical Space III: Fragment Screening

11:15 - 12:45

Chairpersons: J. Harris (Cambridge, UK); C. Lipinski (Waterford, US); N. Winssinger (Strasbourg, FR)

Drug Discovery Technologies V: Future Technologies for the Study of Biological Interactions

11:15 - 12:45

*Chairpersons: V. King (Cambridge, US); J. Mosbacher (Allschwil, CH);
G. Dernick (Basel, CH); A. Korb (Madison, US)*

September 21 – 24, 2010

Messe Basel
Basel / Switzerland

Scientific Program

Friday, September 24, 2010

Poster Award ALA & SCS

13:00 - 13:15

Keynote Lecture IV

13:15 - 14:00

Lunch

14:00 - 14:45
